OIL LUBRICATED COMPRESSORS

OIL LUBRICATED COMPRESSORS

- SCREW AIR COMPRESSORS
- PISTON AIR COMPRESSORS

- ❑ EN SERIES SCREW AIR COMPRESSORS 2.2-45 KW
- ❑ EG SERIES SCREW AIR COMPRESSOR (11-75 KW)
- ❑ EG SERIES SCREW AIR COMPRESSOR (90 -160 KW)
- ❑ EG SERIES SCREW AIR COMPRESSOR (200 -250 KW)

- ❑ 1-2 HP SINGLE-STAGE DIRECT DRIVE PISTON COMPRESSORS
- ❑ 1-3 HP SINGLE-STAGE BELT DRIVE PISTON COMPRESSORS
- ❑ 3-40 HP SINGLE & TWO STAGE INDUSTRIAL PISTON COMPRESSORS
- ❑ 3-20 HP HIGH-PRESSURE PISTON COMPRESSORS
- ❑ CUSTOM-BUILT COMPRESSORS

OIL LUBRICATED SCREW AIR COMPRESSORS

ELGi's oil-lubricated compressors serve as the cornerstone for a diverse range of industrial applications. These compressors, within the oil-lubricated category, provide cost-effective and durable compressed air solutions that are well-suited for a wide spectrum of industrial applications, spanning from light to heavy-duty requirements.

SCREW COMPRESSORS

EN SERIES SCREW COMPRESSORS (2.2-45 KW)

ELGi's EN series screw air compressors are renowned for their dependability, minimal maintenance needs, and compact footprint. These qualities make them the perfect choice for industrial applications where considerations of size, efficiency, and cost are paramount.

EG SERIES SCREW COMPRESSOR (11-75 KW, 90 -160 KW, 200 -250 KW)

ELGi's EG series compressors mark a significant advancement in both design and performance, with every individual component meticulously engineered for reliability and straightforward maintenance. These compressors are designed and manufactured in accordance with relevant international standards, including CE, ASME, UL, and others.
